With pyramid scheme, there doesn't need to be a specific product for sale. Instead, the scheme may prey on individuals seeking to make money by asking them to pay a fee to join the organization. Those who join are promised money from the individuals that they recruit. The pyramid scheme is structured such that those on top gain money, while those on the bottom typically lose money. Pyramid schemes are one of the oldest scams in the book, but unfortunately remain to be relevant due to their predatory and manipulative tactics. "

CALC holds rally against recent swastika graffiti
 by KVAL | Sunday, February 12th 2017

The Community Alliance of Lane County held a rally Sunday to speak out against recent swastika graffiti found in the Whiteaker neighborhood. (SFG photo)

EUGENE, Ore. – Swastika graffiti has been appearing on buildings around town for the past couple weeks. Sunday, hundreds took a stand against the tagging at the Washington/Jefferson Park.

Who is David Richard Jones?

Quote here: <http://cophnia-oto.org/index.html> Please up wake all you true Women's rights advocates who truly want these secret societies of exclusivity and elitist patriarchy to go away. Aleister Crowley was an asshole to women. DYOR

Ordo Templi Orientis is a fraternal occult order and the first of the great Old Aeon orders to accept **The Book of the Law**, received by **Aleister Crowley** in 1904 era vulgaris. Its mission is to effect and promote the doctrines and practices of the philosophical and spiritual system known as **Thelema**, with particular emphasis on cultivating the ideals of individual liberty, self-discipline, self-knowledge and universal brotherhood.

Chartered in 1984 e.v., **Coph Nia Lodge** is the first and oldest body of the **Ordo Templi Orientis** in the State of Oregon. Located in Eugene, **Coph Nia** provides all of the rights and honors appropriate to the **Man of Earth** degrees of the **Mysteria Mystica Maxima**. We offer classes in **Magick** and **Hermetic Science**, and **Initiations into O.T.O.**

We are a **Sanctuary of Ecclesia Gnostica Catholica** and celebrate the **Gnostic Mass** every Sunday at 8 p.m. We offer and administer all the sacraments of EGC.

Confessions of an Illuminati (free mason Leo Zagami) quote:

Interestingly enough, David Richard Jones, who is the Past Master of both *Coph Nia* and *Thelema* Lodges of the O.T.O., a noted scholar, and author of numerous articles on Freemasonry, Magick, Enochian and Biblical and Religious Studies, and initiated in the O.T.O. back in 1984, writes in a small essay (published on *scribd.com*), that Anglo-Saxon Lodge No. 343, where Crowley was initiated, was among the Lodges that later became affiliated with the United Grand Lodge of England inspired *Grand National Lodge of France*, founded in 1913 as Anglo Saxon Lodge No. 103.

Jones writes: "All U.S. jurisdictions now recognize the Grand National Lodge, its dependent bodies including Anglo Saxon #103 and thus ipso facto recognize Aleister Crowley's initiation and membership in Freemasonry."

Local Eugene Oregon cult of Aleister Crowley revisited " Coph Nia Lodge, OT0" . I Don't want anything to do with these OT0 people , but **this is their disgusting founding prophet Aleister Crowley. Genocidal, Pedocidal, Pedophile Ritual scriptures'**:

Aleister Crowley wasn't called " the wickedest man in the world for nothing. quote:

" 21 Then again the master shall speak as he will soft words, and with music and what else he will bring forward the Victim. 22 Also he shall slay a young child upon the altar, and the blood shall cover the altar with perfume as of roses. "

<http://sacred-texts.com/oto/lib66.htm>

Aleister Crowley's cult is claimed to be highly embedded into ceremonies of members of many Free Mason lodges .

who wrote QUOTE <http://hermetic.com/crowley/book-4/chap12>

" The animal should therefore be killed4) within the Circle, or the Triangle, as the case may be, so that its energy cannot escape. An animal should be selected whose nature accords with that of the ceremony – thus, by sacrificing a female lamb one would not obtain any appreciable quantity of the fierce energy useful to a Magician who was invoking Mars. In such a case a ram5) would be more suitable. And this ram should be virgin – the whole potential of its original total energy should not have been diminished in any way.6)

For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. **A male child of perfect innocence and high intelligence 7) is the most satisfactory and suitable victim. "**

PLEASE DYOR FOR MORE ON how Aleister Crowley was a deplorable sick fuck who wasn't called "The Wickedest Man in the World" for nothing if you are any kind of true social justice warrior. If you don't see someone affiliated with any kind of child rape promotion as a hate crime. You're a lowlife p.o.s. worse than any high publicity egregious swastika graffiti. Regardless of what your sexual orientation is this is disgusting agenda of homosexual pedophile normalized. It is an agenda that little boys be raped. This an agenda that little boys be buggered. **THIS IS WHAT HATE LOOKS LIKE.** The LEFT has crossed a line of that slippery slope that has long debunked that homosexuals are absolutely "born that way" arguments or the false premise that homosexuality is never coerced, cajoled, or cult hazed by perverts. <https://hermetic.com/crowley/worlds-tragedy/sodomy> Decrying misogyny is kind of a disingenuous joke with this lowlife abject misandry subjugation.

"Order Out of Chaos" - The Hegelian Principle

<https://www.breitbart.com/politics/2020/06/10/black-lives-matter-foundation-aims-to-disrupt-family-structure-excludes-fathers-from-vision-of-community/>

“The Black Lives Matter (BLM) Global Network Foundation is a largely decentralized international organization – listing regional chapters instead of particular leaders. It was founded by three women, two of whom identify as “queer”: Patrisse Khan-Cullors, Opal Tometi, and Alicia Garza. On its “What We Believe” page, BLM describes itself as a movement “to fight for freedom, liberation, and justice,” but its definition of those terms includes radical changes to basic societal norms.

For instance, the org’s “What We Believe” page asserts that these goals can only be achieved through the disruption of the “Western-prescribed nuclear family structure.”

“We disrupt the Western-prescribed nuclear family structure requirement,” the site declares, “by supporting each other as extended families and ‘villages’ that collectively care for one another, especially our children, to the degree that mothers, parents, and children are comfortable.” The word “fathers” is deliberately excluded, replaced by the gender-neutral “parents” despite already naming “mothers” as pillars of the family.

The statement goes on to denigrate male influence on the family as oppressive. “We build a space that affirms Black women and is free from sexism, misogyny, and environments in which men are centered,” the group says, calling single mothers’ “shifts” of working and parenting a “patriarchal practice.”

On a page describing the group’s “herstory,” BLM writes that part of the reason for its emphasis on intersectional sexual politics is that black liberation movements have historically overemphasized the voice and role of straight men:

Black liberation movements in this country have created room, space, and leadership mostly for Black heterosexual, cisgender men – leaving women, queer and transgender people, and others either out of the movement or in the background to move the work forward with little or no recognition. As a network, we have always recognized the need to center the leadership of women and queer and trans people.

As such, the “What We Believe” statement explicitly endorses LGBTQ subversion of biological sex. “We foster a queer-affirming network,” the creed states. “When we gather, we do so with the intention of freeing ourselves from the tight grip of heteronormative thinking, or rather, the belief that all in the world are heterosexual (unless s/he or they disclose otherwise).”

COMMUNITY ALLIANCE OF LANE COUNTY

SPRINGFIELD, Ore. -- Bullfrog, a local print shop in Springfield, has an outdoor sign reading: "We went from 10 days to flatten the curve -- to show me your papers in a year. I did Nazi that coming."

This sparked all types of thoughts from community members. Some commented on KEZI's Facebook post in support of the sign, while others called it a "disgrace."

Kelly Menachemson is one of the Jewish leaders in our community that is speaking out about the sign. She is the president of the Jewish Federation of Lane County.

Quite to the Contrary Señora "Mica Conteras", there are plenty of people with family of refugees and survivors in the USA from occupied Nazi Europe of Jewish heritage, Christian heritage, along with Jewish advocates that know damn well what's going down.

- **"Banality of Heroism"** Ordinary people do extraordinary moral deeds in certain situations.
Counterpoint to Hannah Arendt's "Banality of Evil."
- **Traditional Societal Heroes** ~ Gandhi, Nelson Mandela, Martin Luther King are exceptions- they organize their lives around sacrifice for a cause.
- **Childrens' Fantasy Heroes** ~ Superman, Spider Man, Wonder Woman are not reality models for kids, they possess supernatural talents.
- Most heroes are **Every Day People**, who emerge as heroes only in particular situations

Original Video Here: <https://youtu.be/Z3LTrqv3sFE> " Hegelian Dialectic" DYOR

The image shows a YouTube video player. On the left, a man with a beard and short hair is sitting on a blue couch, gesturing with his hands as if speaking. On the right, a dark green overlay contains a diagram titled "Hegelian Dialectic". The diagram shows a cycle: "Agenda" (Centralization of power - Oligarchy) points to "Thesis" (Terror event, faked or real), which points to "Anti-thesis" (Increasing police state), which points to "Synthesis" (Removal of freedoms, transfer of power), which then points back to "Agenda". Below the diagram is a definition: "The Hegelian Dialectic is 'any systematic reasoning, exposition, or argument that juxtaposes opposed or contradictory ideas and usually seeks to resolve their conflict.'" and a URL: "[http://www.crossroad.to/articles2/05/dialectic.htm]". At the bottom of the video player, the title "The Takeover has Already Begun - A Secret Video Reveals All" is visible, along with view counts (86,586 views) and a "CLICK NOW SUBSCRIBE" button.

Hopefully the serenity of " This Quote: " We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

- United The Declaration of Independence 1776

Has truthful meanings despite of sexism and racism way back at the time in 1776 (both real and imagined). "Men created equal" implying we human beings, including women, are all equally mortal human flesh and blood with a finite lifespan.

has done so. The trick of doing this can be learned like any other mental technique. It is learned by the majority of Party members, and certainly by all who are intelligent as well as orthodox. In Oldspeak it is called, quite frankly, 'reality control'. In Newspeak it is called **DOUBLETHINK**, though

DOUBLETHINK comprises much else as well.

DOUBLETHINK means the power of holding two contradictory beliefs in one's mind simultaneously, and accepting both of them. The Party intellectual knows in which direction his memories must be altered; he therefore knows that he is playing tricks with reality; but by the exercise of **DOUBLETHINK** he also satisfies himself that reality is not violated. The process has to be conscious, or it would not be carried out with sufficient precision, but it also has to be unconscious, or it would bring with it a feeling of falsity and hence of guilt. **DOUBLETHINK** lies at the very heart of Ingsoc, since the essential act of the Party is to use conscious deception while retaining the firmness of purpose that goes with complete honesty. To tell deliberate lies while genuinely believing in them, to forget any fact that has become inconvenient, and then, when it becomes necessary again, to draw it back from oblivion for just so long as it is needed, to deny the existence of objective reality and all the while to take account of the reality which one denies—all this is indispensably necessary."

THE STATUES THAT NEED TO GO THE MOST, the direct action property destruction which hardly any Trump loving rednecks applauded (if any), which was a true act of American Patriotism, that only a faketriot could deny, was the statues of the British royals being toppled in Canada last summer 2021 upon discovering the truth of horrible pedophile pedocidal boarding schools. , especially revolving around Kamloops Boarding School and the circumstances of a Queen's visit with the research and advocacy of **Kevin Annett**. Toppling the Queen Victoria Statue and destroying pedophile scum institutions was an act of true Good American Revolution Patriotism! And its a damn shame the Left and the Right don't unite in common ground in ending racism in this matter as with the scandemic. The 1 blue striped zebra flag is an anathema to the United States Constitution which really does call for "defund the police" in the sense of a Citizen's militia Policing itself if you read the 2nd Amendment properly. All that represents "The Crown" and all the RedCoat elitist bullshit the cruel subjugation of that child abuse that goes down up North in Canada is the original Tyranny of 1776 of an elitist heirarchy still prevalent in the USA as in Canada. That ALL needs to go away and be eradicated. All that what was only started in 1776 needs desperately to be finished more than ever for the Pursuit of "Life, Liberty, and the Pursuit of Happiness". That principle will be complete 1 way or another because its a peaceful serene way to live while kissing Tyrannical elitist scum's ass is humiliating, degrading and oppressive. The "Jolly Rogers" Whitaker neighborhood flag, in some circles of who and how it was contrived and propogated, could very well be a symbol of that deranged Limey suck ass tyranny for their obvious homosexual coercion pedophile cult. The Ninja costume diaper face suckers in Portland Oregon rioting & screaming ACAB! in Oregon are the agenda of the Australian Police of 2021 and ever since. The unprincipled mindless bumkin dumbfuck Trump supporters in the summer of Floyd waiving the 1 blue stripe zebra flag showed their disregard to the principles of the United States Constitution by turning a blind eye to the clotshot jab pushers aided and abetted by Trump as the common enemy, and consequently got exactly the kind of Tyranny he promoted. This is 1 more testimony and plea to temper personal sense of loose cannon righteous indignation for mindful sense of who the true tyrants truly are and what the common enemy is.

Nothing speaks of a common enemy quite as obvious than the powers that shouldn't be committing and cajoling subjugation and murder of the most otherwise healthy, agile, strong, and stealthy athletes! REMEMBER POISON CLOTHSHOT JAB PUSHERS: the Nuremberg trial was an international prosecution and conviction of criminals who were military officers, doctors, police, nurses, political leaders and the media on trial for forcing innocent people to harmful medical experiments against their will. You've had more than adequate information available to do what's right, to stop following orders from your commanding superiors and to cease and desist your wicked coercive agenda.

I don't know of any celebrities who have proven themselves they're not political amoral untrustworthy halfwits in the pockets of absolute big money psychopaths. That is really sad because some of their music and art is timelessly beautifully poignant for good causes such as Joni Mitchell & Neil Young.

cognitive dissonance

Sometimes people hold a core belief that is very strong. When they are presented with evidence that works against that belief, the new evidence cannot be accepted. It would create a feeling that is extremely uncomfortable, called cognitive dissonance. And because it is so important to protect the core belief, they will rationalise, ignore and even deny anything that doesn't fit in with the core belief.
